EXPERIENCE

SOFTWARE DEVELOPER
SEP 2020 - PRESENT

- Self learned Swift during the 2020 lockdown by completing a Udemy Bootcamp
- Started mentorship relationship with a Senior Developer from Donut (previously from Blinkist)
- Completed a 9-week web development Bootcamp program at Ironhack
- Currently developing with my mentor an iOS app and with my bootcamp partner a web app to improve my skills
- Meet every morning with my bootcamp cohort to train with short logic exercises

FREELANCE ARCHITECT AND INTERIOR DESIGNER
JAN 2016 - DEC 2019

- Developed projects for clients in Berlin and overseas
- Reduced development time for larger projects by working on weekly sprints and delegating tasks to colleagues
- Generated other firms' renders, projects and details, supporting the achievement of their OKR's

PROJECT LEADER
JUN 2016 - OCT 2017 - HCDC, C.A.   **Venezuela**

- Hired, trained and lead a group of 5 junior architects achieving a consolidated, high-performance team
- Co-established the initial setup of the company
- Managed scope, budgets, schedules and customer expectations for 90% of the projects

KITCHEN DESIGNER
MAY 2012 - MAR 2013 - GRUPO HAUS, C.A.   **Venezuela**

- Solved inquiries of +15 clients daily, closing sales and ensuring client's satisfaction
- Developed 1 - 3 full projects in one week: 3D renders and construction details
- Kept deadlines and ensured quality by coordinating with other teams and departments

INTERN
FEB 2016 - APR 2016 - ARQUITECTOS 1077   **Venezuela**
FEB 2012 - MAY 2012 - NONES + NONES C.A.
SEP 2011 - DEC 2011 - MONFALCONE MS, C.A.
